CORRECTED CAPTION
INTERVIEW SUMMARY

The Examiner and the undersigned conducted a brief telephone interview on November 28, 2006, during which the Examiner expressed that the Applicant's informal submission of a declaration and other documents by email could not be entered, and the Examiner therefore requested formal submission of these documents so that they could be entered.

The documents attached include:

Declaration of David M. Oliver, William P. Densmore, Jr., and Michael Callahan
dated August 12, 2004;

The code documents were originally provided in searchable form based on discussions with, and for the convenience of, the Examiner, and identical documents are part of an appendix filed with the application.

If any further documents are required or deemed prudent, the Examiner is respectfully requested to contact the undersigned.

It is respectfully submitted that the Declaration and supporting documents are sufficient to prove that the present applicants possessed at least so much of the claimed invention as is disclosed by Teper et al. before the effective prior art date thereof, and therefore that the application is allowable.

Respectfully submitted,
